Listen to the waterfall in this saltwater pool home with travertine decking and screen the entire width of the house. 2-bedroom, den, 2 ½ baths, home with a 3-car tandem garage, The Cypress welcomes you with a fabulous architectural design boasting large windows, tall ceilings, and open spaces. The 2nd bedroom and bath are privately located in the front of the house, next to a cozy den with double frosted glass swing doors with windows that have natural light entering into the center of the house. The open bright kitchen area features a generous walk-in pantry, and there is more than adequate room for your large round dining table and buffet with a beverage center. The owner's suite features a coffer ceiling with large windows overlooking the back of the house, large dual walk-in closets, linen closet, walk-in shower and its own water closet with the brightness of a window. The expansive laundry room & large walk-in storage closet has a drop-in laundry sink and upper and lower cabinets for easy storage solutions. 3-car tandem garage is perfect for plenty of storage & toys, plus so much more. Flood Zone is "X"!
